Most thefts from motor vehicles are preventable. There are just a few things you need to do to prevent them. Once you realize the steps you need to take, we are counting on you to do them on a daily basis!

### Practice T. L. C.

#### **T**ake Out Valuables

If you can leave your valuables at home, do it. Otherwise, when you get to your destination, take your valuables with you. If you have to leave them in your automobile, put them in your trunk before you get to your destination. **This includes firearms!**  
**Please do not leave a firearm in your vehicle unsecured!**

#### **L**ock Your Vehicle

Enough said!

#### **C**lose Doors and Windows

An open door or window allows a thief a quick and quiet way to enter your automobile. Take the time to make sure you closed everything.

Please remember to report **all** suspicious activity immediately by calling:

**Emergency: 9-1-1**

**Non-Emergency: 703-792-6500**
